Ready, Set, Rainbow!

Let's help Dash make
a rainbow of lights!

1. Use **light** blocks to make a rainbow with Dash!

2. Make sure Dash shows all of these colors:

red: 

orange: 

yellow: 

green: 

blue: 

purple: 

3. Now add an **animation** block. You can choose something like this:

Add **sounds** after each color!
