# Fancy Wheelwork

It sounds like the competition is going to be fierce at the Interstellar Dance Contest! Dash is going to need fancier moves for the performance.
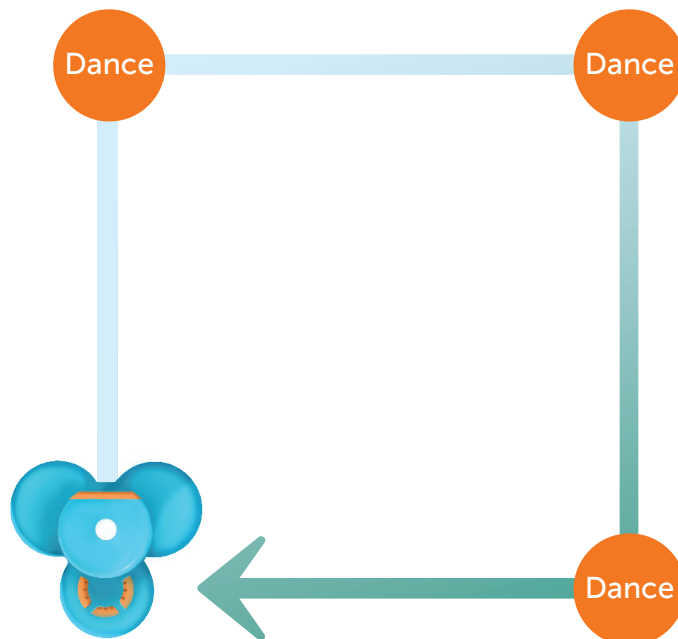

wonder
workshop

1. Use a **Function** block to make a dance move for Dash. You can use **light**, **sound**, and **drive** blocks for the dance move.

   ● Function FDance

2. Program Dash to dance in a **square**. Have Dash do the dance move at each **corner** of the square (see the orange dots).

   Dance   Dance

   Dance

BONUS Have Dash perform the dance move using different **shapes**, like a triangle or a rectangle.
